### We hereby accept the present offer:

- The offer is valid up to and including 31.12.2022. A legally binding contract is only concluded after confirmation of the order by Inter.link GmbH.
- Agreed contract term with three months' notice to the end of the term. If the contract is not terminated in due time, it will be extended by another 12 months.
- The contract begins with the provision of the service by Inter.link GmbH. In the case of redundant lines, the contract begins with the provision of the first service.
- If Inter.link has installed devices in the customer's server room, these are the property of Inter.link GmbH and must be returned at the customer's own expense after termination of the contractual relationship.
- IPv4 and IPv6 addresses are provided to the customer during the term of the contract. If Inter.link receives so-called abuse messages from third parties for these IP addresses, Inter.link will forward these to the customer and charge the resulting expenses according to the price list.
- The terms and conditions and SLA of Inter.link GmbH apply (see [www.inter.link](http://www.inter.link)).
- All prices listed in the offer are net prices and are subject to VAT.
- Terms of payment: 10 days net.
